Yellow Belly™

HYBRID PVC AIR HOSE

Coilhose's new *Yellow Belly* is constructed of a lightweight yet durable hybrid PVC material, and offers an excellent alternative to the traditional rubber air hose. *Yellow Belly* remains flexible even in cold temperatures, and lies flat to prevent tripping hazards. It rolls out and stores well, resists kinking under pressure, and is equally at home at the jobsite or in the garage!

- Lays flat
- Rolls out & stores well
- Flexible down to -40° F
- Resists kinking under pressure

SPECIFICATIONS

- Hose material: Hybrid PVC resin
- Temperature range: -40° F to +140° F
- Working pressure: 300 PSI
- Good abrasion resistance
- Good chemical resistance

*High Visibility Hose with
Strong Brass Fittings*

Field Repairable Fittings Available
